Lawn Replacement Program

Upgrade to a waterwise yard!

SAVE WATER (AND MONEY!)

Save water on your landscape and money on your water bill by transforming your landscape!

NO GREEN THUMBS REQUIRED

Our plant-by-numbers maps and plant care guide result in a low-water garden that's as simple as it is beautiful.

INSTANT CURB APPEAL

Garden In A Box kits use starter plants, which quickly add a pop of color and beauty to your yard.

INCREASE LOCAL BIODIVERSITY

Plants attract pollinators and other insects, increasing local biodiversity compared to just grass.
