Executive Summary

The Board of Directors approved the Little Thompson Water District Manager's recommended 2023 Budget on November 10, 2022. The focus of this budget is to ensure the long-term financial health of the District by:

- Funding the required ongoing maintenance of our infrastructure to ensure long term reliability,
- Constructing capital infrastructure and replacing aging systems,
- Emphasizing planning for our future; and
- Building reserves for future capital projects.

The recommended budget is based on:

- Base Fee will increase by 5.0%, and will be adjusted 2.2% for new tap growth,
- Water rates
 - Tier I, and Tier II increases by 5%,
 - Tier III increases by 9%,
 - Tier IV will double, increasing IV from \$4.56 to \$9.00, (Standard Only),
 - Tier IV Non-Standard increase 9%,
 - Tier V will increase by 50% increasing it from \$9.00 to \$13.50 (Standard Only),
- Wholesale Rates will increase by CPI 8.6% based within the guidelines of each entity's IGA,
- Bulk water sales estimated based on historical data,
- Sale of 225 taps (7 standard and 218 urban) 28 Cash in Lieu (7 Standard and 21 Urban),
- Wages Cost of Living increase of 3.5%, with the average increase of merit and COL of 7%,
- Total Employee Costs Increase of 14.23% compared to 2022 projected actuals,
 - Large increase is due to three new employees: two Administrative and one in Engineering,
 - One additional fulltime transition employee in Water Resources,
 - Increase in salaries to make sure employees are in the appropriate range with the salary survey done by Employers Council,
 - Increase in Retention bonus from \$20 per year to \$250 per year (paid at increments of 5-year services),
 - One Potential retirement bonus,
- Operating expenses increased by 19.14% compared to 2022 projected actuals,
 - · Budgeted in for a marketing consultant,
 - Operational expenses increased for Dry Creek pumping,
 - Assessments for Windy Gap delivery and other Northern Programs,
 - Begin lead service inventory process,
- Capital and non-operating costs increased by 68.11% compared to 2022 projected actuals,
 - Increase due to bond projects and additional capital projects,
- CLFP Treatment costs \$0.22 per 1,000 gallons and \$108,000 per month for fixed operating cost,
 - Plus, unbudgeted expenses of \$144,000,

The recommended budget projections for December 31, 2023:

- Legally Restricted Reserves are fully funded in accordance with the approved Reserve Policy,
- Board Designated Reserves are fully funded, and
- The Loan rate covenant requirement is met.

| 2023 Proposed Budget Summary | | | | | |
|-------------------------------------|---------------|--|--|--|--|
| Working Capital – Beginning of Year | \$43,977,921 | | | | |
| Operating Revenue | \$14,438,634 | | | | |
| Operating Expenses | \$14,374,736 | | | | |
| Non-Operating Revenue | \$5,807,213 | | | | |

| Net Gain (From Reserves) | \$(4,149,625) | | | | |
| Working Capital – End of Year | \$39,828,296 | | | | |

Background

<u>Statutory Authority:</u> The Little Thompson Water District is a quasi-municipal corporation and a political subdivision of the State of Colorado. The District was created pursuant to state law for the purpose of providing water facilities and services for the inhabitants of the District. The order and decree creating the District was entered in 1961.

The rights, powers, privileges, authorities, functions and duties of the District are established by the laws of the State of Colorado, particularly Title 32, Article I, C.R.S, which provides the District the power to enter into contracts and agreements; to sue and be sued; to fix and from time to time increase or decrease fees, rates, tolls or charges for services, programs or facilities furnished by or available from the District, and to pledge such revenue for the payment of any indebtedness of the District; to acquire, dispose of and encumber real and personal property, and any interest therein; including leases and easements; and to have the management, control and supervision of all the business affairs of the District, including the construction, installation, operations and maintenance of the Districts improvements therein. Subject to statutory procedures, the Board may order the inclusion or exclusion of real property to or from the District, as the case may be, thereby modifying the District boundaries.

Our Customers: Our customers include residences, farms, commercial enterprises, and municipalities. The District encompasses approximately 200 square miles located in Boulder, Larimer, and Weld Counties, currently serving about 10,084 taps. The District sells water to the North Carter Lake Water District, Longs Peak Water District, as well as portions of Berthoud and Loveland pursuant to Interconnect Agreements with said entities. The District also provides water service to the residents of the Town of Mead and has an Intergovernmental Agreement with the Town of Johnstown.

<u>Our Mission:</u> The mission of Little Thompson is "To Provide our customers with safe, reliable and good tasting water at a fair and reasonable price".

<u>Directors:</u>

<u>Our Water:</u> The District's raw water comes primarily from Carter Lake. The water treatment facility is the Carter Lake Filter Plant, jointly owned by Little Thompson Water District and Central Weld County Water District. The filter plant receives water from Carter Lake, a part of Northern Colorado Water Conservancy District's Colorado-Big Thompson Project (C-BT). The water is collected in Western Slope reservoirs and transported through the Alva B. Adams Tunnel to Mary's Lake, Lake Estes, Pinewood Reservoir, and Flatiron Reservoir and finally pumped to Carter Lake. The Little Thompson Water District strives to consistently meet or exceed state and federal water quality standards.

<u>Governance:</u> The District is governed by a seven-member Board of Directors. The members are electors of the District as defined by state law and are elected to alternating four-year terms of office at successive biennial elections. Directors may receive up to a maximum of \$2,400 per year as compensation for service to the District, payable not to exceed \$100 per meeting attended. The Board Members are also reimbursed for their travel and miscellaneous expenses. The Board of Directors are responsible for the overall management and administration of the District. However, the day-to-day operations of the District are conducted by a 33-member staff headed by the District Manager.

Basis of Budgeting and Accounting

<u>Budget Process</u>: Little Thompson Water District staff produced this budget document for the calendar year January 1, 2023, to December 31, 2023. To provide an effective foundation for development of the 2023 budget, District Management coordinated budget preparation meetings with staff to review the District's overall financial condition, revenue projections and expense estimates. In addition, District staff coordinated with the Carter Lake Filter Plant and Central Weld County Water District to align budgets on jointly owned facilities.

Enterprise Fund: The District operates as an Enterprise Fund and uses the accrual basis of accounting. Revenues are recognized when they become measurable and available as net current assets. "Measurable" means that the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Non-current receivables are not recognized until they become current receivables. Revenues from water sales are subject to accrual. Plant Investment Fees and other fees are not accrued because generally they are not measurable until received. Expenses are recorded when the related fund liability is incurred except for:

- Memberships, insurance, and other services which extend over more than one accounting period are accounted for as expenditures for the period of acquisition,
- Principal and interest on general long-term debt is recognized when due, and
- Accumulated unpaid vacation that is not expected to be paid within the next year is posted as a long-term debt.

<u>Rates and Charges:</u> The District relies strictly on water sales to generate operating revenue. We do not assess a mill levy; therefore, we do not collect property tax revenue. Revenue from water sales is generated from a base fee to cover our fixed costs plus an increasing block rate structure based on the amount of water used by each customer.

<u>Directors:</u>

James Walker
Rvan Heiland

District Manager: Amber Kauffman 835 E Highways 56 Berthoud, CO 80513

Phone 970-532-2096 Fax 970-532-3734 www.LTWD.org

The base rate and the water tiers will increase:

- Tier I, and Tier II increases by 5%
- Tier III increases by 9%
- Tier IV will double, increasing IV from \$4.56 to \$9.00 (Standard Only),
 - Tier IV Non-Standard increase 9%,
- Tier V will increase by 50% increasing it from \$9.00 to \$13.50 (Standard Only),
- Wholesale Rates will increase by CPI 8.6% based within the guidelines of each entity's IGA.

Non-Operating Revenue from the sale of taps covers the cost of infrastructure already constructed and for future system expansion. It is the goal of the District to respond to growth in a manner that is fair and least burdensome to existing tap holders. The plant investment fee for a 5/8-inch Urban tap is \$9,700 and cash-in-lieu of raw water is \$45,500, plant investment fee for a 5/8-inch inside use multi-family tap is \$6,000 and cash-in-lieu of raw water is \$23,400, plant investment fee for a 5/8-inch inside use Single family tap is \$7,800 and cash-in-lieu of raw water is \$32,500 and 5/8-inch Standard tap is \$13,000 and the cash-in-lieu of raw water is \$91,000; and the Water Resource Fee is \$1,000; all fees effective January 1, 2023.

<u>Cost Management:</u> The 2023 Budget forecast is based on historical information and assumptions concerning future events and circumstances. One key factor that can significantly affect these assumptions is the weather, which directly impacts revenue from water sales. It is important to note that some assumptions may not materialize, as well as unforeseen events and circumstances may occur subsequent to the date of this report. Actual revenue and expenses are tracked closely, and staff will respond to deviations from Budget in accordance with the Cost Management Policy adopted by the Board.

<u>Employee Compensation:</u> Paying a competitive wage is vital to recruiting and retaining a responsive and competent work force. Based on the 2022 pay and benefit information from Employers Council, we are increasing our budgeting for a 3.5% cost of living and 3.5% pool for merit pay adjustments.

To ensure we are utilizing our resources in a prudent fashion and providing for professional growth and development, we provide continuing education and training seminars for our employees. To ensure fairness, the District has in place an education guideline that offers reimbursement on education and training. The District recognizes that productivity, value, and health of an employee centers on the need to provide for oneself and the family. We acknowledge this value using flexible work schedules, competitive benefits, and paid time off.

<u>Financial Planning:</u> In order to prudently manage the financial resources of the District, we continually update our long-range financial plan. As an adjunct to this document, the staff prepares a five-year financial plan. The accuracy of such a forecast is dependent largely on good capital facility planning. In 2018 a Raw Water Master Plan was completed and presented to the Board. In 2020 LTWD reviewed and updated the Plant Investment Fees (PIF) for both Residential and Non-Residential taps. An update of the District's Facility Master Plan will be completed in 2023, and a review of the District's monthly base and tier rates is scheduled for January of 2023. The evaluation of base and tier rates will provide appropriate guidance to ensure that operating and distribution costs are covered appropriately.

Summary

The financial resources in the budget reflect community needs/priorities/policies as established by the Board. Staff has:

- Created a balanced and responsible budget by approving operational expenses that do not exceed current available resources,
- Maintained the existing level of quality services available to the public,
- Strengthened the resources necessary to safeguard effective and responsive services,
- Maintained integrity of the District's financial position,
- Maintained proper reserve funds, and
- Provided appropriate funding for infrastructure, maintenance, capital improvements, and equipment replacement.

Business Manager

The staff looks forward to the next calendar year and will update the Board of Directors on the progress made throughout the year through the continued preparation of the monthly financial summary and report.

District Manager & Secretary to the Board

YEAR END RESERVE ANALYSIS

The legally required reserves are funded in compliance with the approved Reserve Policy. The legally restricted reserves of \$17,912,103 for bonded capital projects. All Board Designated Reserves will be funded at: Debt Service 100%; Water Resources 100%; Windy Gap Firming 100% and Cash Flow Fund 100%. We estimate the 2023 Year End Reserve for the Capital Projects Fund to be \$11,191,441 with total Reserves funded at \$39,828,296.

| | Actual | Projected Actual | Approved Budgeted | Proposed Budget |
|----------------------------------|---------------|------------------|----------------------|--------------------|

REVENUE ANALYSIS.

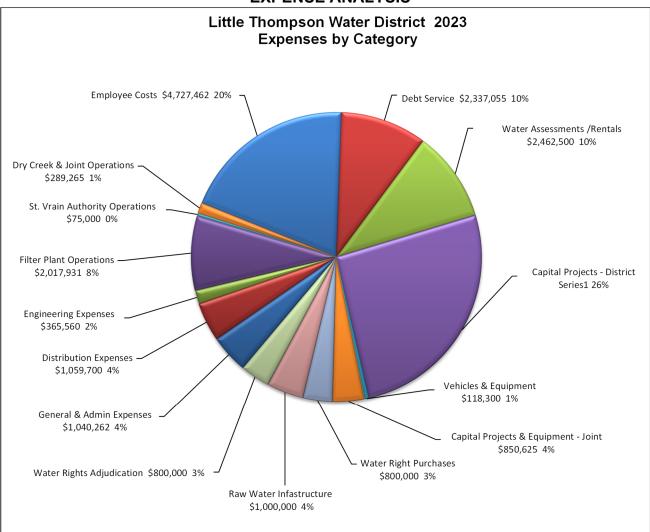

Operating Revenue are compared to Projected Actual

- Water Revenue Consumption:
 - □ Overall compared to the 2022 projected actual, operating revenue increased by \$1,753,666.
 - □ Non-operating revenue increased by \$1,428,868.
- Water Allotment- Urban Taps-Increased by \$2,000,
- Water Revenue
 - \square Tier I increases by 5%,
 - ☐ Tier II & III increases by 9%,
 - ☐ Tier IV will double, increasing from \$4.56 to \$9.00 for 5/8" Standard Residential Only, Other Tier IV rate classifications will increase by 9%
 - ☐ Tier V will increase by 50% increasing it from \$9.00 to \$13.50 for 5/8" Standard Residential Only
- Water Revenue Wholesale: Wholesale water is based on historical use and has decreased by \$3,000.
- Bulk Water Revenue and Water Rental decreased by \$121,279 based on historical actuals.
- Miscellaneous Revenue includes Customer Service Fees, Miscellaneous Income, Construction Water Income and Engineering Fees. We are projecting a decrease in revenue by \$18,421.

- Passthrough Revenue and Expense for Windy Gap of \$1,256,333
 Non-Operating Revenue Increase by 6.96%
- Plant Investment Fees are projected on the sale of 225 5/8-inch taps (218 Urban at \$9,700 and 7 Standard at \$13,000).
- Cash in Lieu of Water Rights is based on the sale of 28 5/8-inch taps with no water rights (7 at a rate of \$91,000 and 21 at a rate of \$45,500).
- Tap Installation revenue is used to cover the cost of new meter and meter pit installations.

EXPENSE ANALYSIS

Operating Expenses are compared to 2022 Projected Actuals

- Overall compared to the 2022 projected actual operating expenses increase by 19.14%.
- Projected actual non-operating expenses increased by 68.11% mainly due to an increase in capital projects planned in 2023.
- Carter Lake Filter Plant Operations budget increased by 26.91%.
- Distribution Expenses increased by 15.80%, to account for more preventative maintenance costs.
- General and Administration Expenses increased by 26.42%, to account for a Marketing Firm, and some building upgrades.

- Engineering Expenses increased by 222.13%, due to increase in our water conservation, Water Rights Consulting, and Engineering Consulting.
- Joint Operations increased by 671.86%, to account Dry Creek Pumping Cost, Reservoir Management, Dam Road Repair and West Hill Road Repair.
- Employee Costs: The overall Employee costs increased by 14.23%, to account for three new employees and one transition employee
- Largely the cost increases in expenses from 2022 to 2023 is due to inflation of CPI of 8.6%; and increase in Dry Creek expenses.

Non-Operating Expenses

| Capital Projects & Equipment - District 2023 E | Budget | |
|---|--------|-----------|
| County Rd Improvements | \$ | 200,000 |
| Service Connection Expense | \$ | 157,200 |
| Telemetry Improvements | \$ | 200,000 |
| Small Line Improvements | \$ | 75,000 |
| Northeast Transmission Line | \$ | 1,300,000 |
| Loveland/Campion Conversion Project 1 | \$ | 1,515,311 |
| 54 Bridge-Waterline Relocation | \$ | 862,300 |
| Dry Creek Feasibility for Floating Photovoltaic | \$ | 35,000 |
| Twin Mounds Passive Mixing System | \$ | 227,000 |
| Buckhorn Tank Mixing System Study | \$ | 40,000 |
| 3rd & Welker Waterline Replacement | \$ | 1,320,000 |
| LCR 8 & 21 Waterline Modifications | \$ | 300,000 |
| Botterill - LTWD System Modifications | \$ | 100,000 |
| Vehicle Replacement Program | \$ | 80,000 |
| Office Furniture & Equip (includes software) | \$ | 12,500 |
| Misc Equipment | \$ | 7,800 |
| Operations Equipment Expense | \$ | 18,000 |
| Water Rights CBT | \$ | 400,000 |
| Water Rights Other | \$ | 400,000 |
| Water Rights Adjudication-Engineering | \$ | 600,000 |
| Water Rights Adjudication-Legal | \$ | 200,000 |
| Handy/Home Supply, Raw Water Infrastructure | \$ | 1,000,000 |
| 2nd Use Infrastructure Study | \$ | 120,000 |

2023 Projects Funded by Bonding

• Northeast Transmission Line – New transmission line along Larimer County Road 16 connecting the Twin Mounds storage tanks on the west of I-25, along with infrastructure upgrades east of I-25, to supply the northeast quadrant of the system with additional pressure

- during high demand periods along with a redundant west/east feed when other supply lines require maintenance or repair. Delay in project for CDOT, will shift priority, assumed spending 375k in 2022, and will spend \$1.3 million in 2023.
- Loveland/Campion Conversion, Project 1 As a part of a 2020 intergovernmental agreement with the City of Loveland, the District became the service provider for approximately 130 customers who were City of Loveland customers. Some of the lines and services that will now be maintained and served by the District are at the end of their useful life and in need of replacement. This project will design and replace existing waterlines with service lines to new meter pits. The area is in a residential neighborhood with relatively narrow dirt roads. Added one mile of 8" in Garfield, includes engineering & construction.

2023 Projects Not Funded by Bonding

- Supervisory Control and Data Acquisition (SCADA)/Telemetry System Upgrades Replacement and upgrades to aging equipment and software, along with implementation of new systems.
- Weld County Rd. 54 Waterline Relocation Relocation of approximately 2,300 feet of existing 12-inch waterline to accommodate widening of the bridge over the Big Thompson River by Weld County, along WCR 54 (Hwy. 402) between WCR 13 & 15.
- Buckhorn Pump Station Upgrades Pump and motor replacement of heavily worn equipment, along with installation of variable frequency drives (VFD's) to provide more efficient pump control for maximum motor life and reduced power consumption.
- Raw Water Infrastructure Planning, design, and construction of critical infrastructure to capture and convey native and second use water supplies from various capture points to treatment facilities for distribution to District customers.
- County Road Improvements For the currently unknown road projects that impact our waterlines.
- Small Line Improvement Projects For upgrades to waterlines and associated facilities that are determined to be problematic to the overall operation of select parts of the system
- New Service Connection Expense Capital cost budget item is offset by a portion of tap fees paid by others.
- Vehicles & Equipment Ongoing budget item for replacement of aging vehicles and misc. equipment.

| Capital Projects & Equipment - Joint 2023 Budget | | | | | | |
|--|----|-----------|--|--|--|--|
| Water Rights CBT | \$ | 400,000 | | | | |
| Water Rights Other | \$ | 400,000 | | | | |
| Water Rights Adjudication-Engineering | \$ | 600,000 | | | | |
| Water Rights Adjudication-Legal | \$ | 200,000 | | | | |
| Handy/Home Supply, Raw Water Infrastructure | \$ | 1,000,000 | | | | |
| 2nd Use Infrastructure Study | \$ | 120,000 | | | | |

• Joint Projects: costs related to Carter Lake Filter Plant. These costs represent Little Thompson Water District's share of the project costs.

LITTLE THOMPSON WATER DISTRICT
Rules and Regulations Section 1501.1 Schedule A – Tap Fees Changes approved at Rate Hearing on November 10, 2022 Effective January 1, 2023

| Residential Taps | | | | | | | | | |
|---|-------------------------|---------------------|------------------------------------|-----------------------|-------------------|--|--|--|--|
| Meter Size | Plant Investment Fee | Installation Fee | Cash-in-Lieu of Water Rights | Water Resource Fee | Total Cost of Tap | | | | |
| 5/8" Inside Use Multi-Family, Micro- Home or <1,000sf | \$6,000 | \$4,000 | \$23,400 | \$1,000 | \$34,400 | | | | |
| 5/8" Inside Use Single Family ≥1,000 | \$7,800 | \$4,000 | \$32,500 | \$1,000 | \$45,300 | | | | |
| 5/8" Conservation (Urban) | \$9,700 | \$4,000 | \$45,500 | \$1,000 | \$60,200 | | | | |
| 5/8" Standard | \$13,000 | \$4,000 | \$91,000 | \$1,000 | \$109,000 | | | | |

⁽¹⁾ If the service line and meter pit have already been installed by the developer, the installation fee is reduced to \$700.

(3) The Cash-in-Lieu price is based on recent sale prices for water sources allowable for dedication, such that the District may purchase the raw water dedication requirement for lots allowed to utilize the Cash-in-Lieu option. The current price for Residential Cash-in-Lieu is \$130,000 per acre-foot.

| Non-Residential Taps | | | | | | | |
|------------------------------|-------------------------|---|-----------------------|--|--|--|--|
| Meter Size | Plant Investment Fee | Installation Fee District Supplied Materials | Water Resource Fee | Installation Fee Developer Supplied Materials | | | |
| 5/8" Inside Use | \$8,300 | \$4,000 | \$1,000 | \$700 | | | |
| 5/8" Conservation (Urban) | \$10,800 | \$4,000 | \$1,000 | \$700 | | | |
| 5/8" | \$18,000 | \$4,000 | \$1,000 | \$700 | | | |
| 3/4" | \$27,000 | \$4,500 | \$1,500 | \$800 | | | |
| 1" | \$45,000 | \$5,000 | \$2,500 | \$1,800 | | | |
| 1-1/2" | \$90,000 | Developer must install | \$5,000 | \$2,200 | | | |
| 2" | \$144,000 | Developer must install | \$8,000 | \$2,920 | | | |

Water Rights Dedication for Non-Residential taps must be provided by the developer; however, when available, the District may allow non-residential taps to purchase up to 5 acre-feet of water dedication through the District's non-residential cash-in-lieu program at the current market rate of \$130,000 per acre-foot.

| Accessory Dwelling Fee | | | | | | |
|------------------------------|--------------------|-----------|--|--|--|--|
| Cash-in-Lieu of Water Rights | Water Resource Fee | Total Fee | | | | |
| \$13,000 | \$1,000 | \$14,000 | | | | |

⁽²⁾ If the water rights dedication has been made by the developer, the water rights dedication has been satisfied and there is no cash-in-lieu of water rights required. Not all lots are eligible to pay cash-in-lieu of dedicating water rights. See Section 1505.5 Schedule D for more raw water dedication information.

LARIMER, WELD & BOULDER COUNTIES, COLORADO RESOLUTION NO 2022-35 TO SET MILL LEVIES

(Pursuant to §39-5-128, C.R.S. AND 39-1-111, C.R.S.)

A RESOLUTION LEVYING PROPERTY TAXES, TO HELP DEFRAY THE COSTS OF GOVERNMENT FOR THE LITTLE THOMPSON WATER DISTRICT, COLORADO, FOR THE 2023 BUDGET YEAR.

WHEREAS, the Board of Directors of the Little Thompson Water District has adopted the annual budget in accordance with the Local Government Budget Law, on 10th day of November 2022 and;

WHEREAS, the amount of money necessary to balance the budget for **general operating** purposes from property tax revenue is \$0.00, and;

WHEREAS, the Little Thompson Water District finds that it is required to **temporarily** lower the general operating mill levy to render a refund for \$0.00, and;

WHEREAS, the amount of money necessary to balance the budget for **capital expenditure** purposes from property tax revenue approved by voters or at public hearing is \$0.00, and;

WHEREAS, the amount of money necessary to balance the budget for voter approved **bonds and interest** is \$0.00, and:

WHEREAS, the 2022 valuation for assessment for the Little Thompson Water District as certified by Boulder, Larimer, and Weld County Assessors is:

 Boulder County:
 \$6,430.200

 Larimer County:
 \$878,422,683

 Weld County:
 \$965,248,350

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE LITTLE THOMPSON WATER DISTRICT, COLORADO:

Section 1. That for the purpose of meeting all **general operating** expenses of the Little Thompson Water District during the 2023 budget year, there is hereby levied a tax of -0- mills upon each dollar of the total valuation for assessment of all taxable property within the Little Thompson Water District for the year 2023.

Section 2. That for the purpose of rendering a refund to its constituents during budget year 2023, there is hereby levied a **temporary tax credit/mill levy reduction** of -0- mills upon each dollar of the total valuation for assessment of all taxable property within the Little Thompson Water District for the year 2023.

Section 3. That for the purpose of meeting all **capital expenditures** of the Little Thompson Water District during the 2023 budget year, there is hereby levied a tax of -0- mills upon each dollar of the total valuation for assessment of all taxable property within the Little Thompson Water District for the year 2023.

Section 4. That for the purpose of meeting all payments for **bonds and interest** of the Little Thompson Water District during the 2023 budget year, there is hereby levied a tax of -0- mills upon each dollar of the total valuation for assessment of all taxable property with in the District for the year 2023.

Section 5. That the Secretary is hereby authorized and directed to immediately certify to the County Commissioners of Boulder.Larimer and Weld Counties, Colorado, the mill levies for the Little Thompson Water District as herein above determined and set, or be authorized and directed to certify to the County Commissioners of Boulder. Larimer and Weld Counties, Colorado, the mill levies for the Little Thompson Water District as herein above determined and set, but as recalculated as needed upon receipt of the final (December) certification of valuation from the county assessors in order to comply with any applicable revenue and other budgetary limits.

ADOPTED this 15th of December, of A.O. 2022.

LITTLE THOMPSON WATER DISTRICT LARIMER, WELD & BOULDER COUNTIES, COLORADO RESOLUTION NO 2022-33 TO APPROPRIATE SUMS OF MONEY

(Pursuant to 200 1 109 C.P.C.)

(Pursuant to §29-1-108, C.R.S.)

A RESOLUTION APPROPRIATING SUMS OF MONEY TO THE VARIOUS FUNDS AND SPENDING AGENCIES IN THE AMOUNT AND FOR THE PURPOSE AS SET FORTH BELOW, FOR THE LITTLE THOMPSON WATER DISTRICT, COLORADO, FOR THE 2023 BUDGET YEAR.

WHEREAS, the Board of Directors has adopted the annual budget in accordance with the Local Government Budget Law, on November 10, 2022, and;

WHEREAS, the Board of Directors has made provision therein for revenues in an amount equal to or greater than the total proposed expenditures as set forth in said budget, and;

WHEREAS, it is not only required by law, but also necessary to appropriate the revenues and reserves or fund balances provided in the budget to and for the purposes described below, thereby establishing a limitation on expenditures for the operations of the Little Thompson Water District.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE LITTLE THOMPSON WATER DISTRICT, COLORADO:

Section 1. That the following sums are hereby appropriated from the revenue of each fund, to each fund, for purposes stated:

GENERAL FUND:

Operation Expenses \$12,037,681

Debt Service \$ 2,337,055

Capital Outlay \$10,020,736

TOTAL GENERAL FUND \$24,395,472

ADOPTED THIS 10th of November, AD. 2022.

LITTLE THOMPSON WATER DISTRICT LARIMER, WELD & BOULDER COUNTIES, COLORADO RESOLUTION No. 2022-32 TO ADOPT 2023 BUDGET

(Pursuant to §29-1-108, C.R. S.)

A RESOLUTION SUMMARIZING EXPENDITURES AND REVENUES FOR EACH FUND AND ADOPTING A BUDGET FOR THE **LITTLE THOMPSON WATER DISTRICT**, COLORADO, FOR THE CALENDAR YEAR BEGINNING ON THE FIRST DAY OF JANUARY 2023 AND ENDING ON THE LAST DAY OF DECEMBER 2023.

WHEREAS, the Board of Directors of Little Thompson Water District has appointed Amber Kauffman, Secretary, to prepare and submit a proposed budget to said governing body at the proper time; and

WHEREAS, Amber Kauffman, Secretary, has submitted a proposed budget to this governing body on October 13, 2022, for its consideration, and;

WHEREAS, upon due and proper notice, published or posted in accordance with the law, said proposed budget was open for inspection by the public at a designated place, a public hearing was held on November 10, 2022, and interested taxpayers were given the opportunity to file or register any objections to said proposed budget, and;

WHEREAS, the 2023 Budget was approved by the Board of Directors on November 10, 2022, and:

WHEREAS, whatever increases may have been made in the expenditures, like increases were added to the revenues or planned to be expended from reserves/fund balances so that the budget remains in balance, as required by law.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE LITTLE THOMPSON WATER DISTRICT, COLORADO:

Section 1. That the budget was submitted, amended, and summarized by fund, hereby is approved, and adopted as the budget of the Little Thompson Water District for the year stated above.

Section 2. That the budget hereby approved and adopted shall be signed by the Secretary and President of Little Thompson Water District and made a part of the public records of the District.

ADOPTED, this 10th day of November, A.O., 2022.
